Annual Meeting & Youth Event Covenant (Our promise between ourselves and God)

In order to strengthen our community, we covenant to be Christian friends by:

- Being respectful of one another's time, thoughts, ideas, needs, special gifts, feelings and property.
- Staying at the event unless I am with an adult chaperone.
- Developing trust by being open and sincere
- Listening respectfully to others ideas and beliefs.
- Encouraging and supporting one another by fully participating, practicing good listening skills and keeping an open mind.
- Asking questions when we don't understand
- Honoring bedtime and lights out
- Showing enthusiasm
- Having fun.

Because these things damage our Christian community, we also covenant:

NOT to smoke tobacco, drink alcohol or take illegal drugs

NOT to use profanity or other hurtful language

NOT to engage in sexual intercourse or other sexual activities

NOT to leave the event without an adult chaperone

I understand that violating this covenant will result in damage to the respectful, Christian community we are creating together AND may result in my being asked to leave the event at my own expense.
