Frequently Asked Questions

Can anything else be added to the CWS Kits?

No additional items can be added to the Kits, and items are limited to only those listed so that all Kit recipients receive the same materials. In an effort to meet the needs of local agencies in very diverse settings and cultures, CWS works to keep the Kits as useful as possible to meet the needs of recipients. To facilitate international shipping, distribution, and review by Customs officials, the boxes into which the Kits are packed at the warehouse must weigh the same and contain the same number of Kits and components. **Please do not include personal notes, artwork, checks or cash.**

Can we include a note with our Kits?

For some Kit recipients to read the note, it would have to be translated into his or her own language. Because this is a time-consuming and costly process, and is outside the scope of the CWS Kit Program, please do not include notes.

Can we include religious or other symbols on the components or in the Kits?

Please do not decorate your Kits with religious or governmental symbols or include components with these symbols. Kits are shared with people based only on need, regardless of religion, and should not be used as a way of proselytizing.

May I designate my Kits for a particular location?

The Kits you provide are packed with other same-type Kits and prepared for shipment to various points throughout the world, when and where the need is the greatest. CWS provides assistance to people in need regardless of their race, ethnic origin, or religion.

Can I send my donation for processing with my Kits?

Please send all monies to Church World Service, P.O. Box 968, Elkhart, IN 46515. Funds for processing are used to cover the insurance, preparation for shipment, and actual shipping costs of getting Kits from the warehouses in Maryland and Arkansas to their final destination. Checks or cash placed inside Kits or in the box of Kits may be overlooked in the warehouse, so please send all monies directly to CWS.

Church World Service Kits are small packages of supplies assembled by volunteers from congregations and groups, as well as individuals and families. The contents of each Kit are simple, small things – new pencils, washcloth, toothbrush, cleaning supplies – but having or not having them can make a world of difference in an ongoing development program or when disaster strikes. Because Kits matter, please follow exactly the instructions presented here. The contents of each Kit have been selected with care based on years of experience to make them as useful as possible, wherever and whenever they are sent. Cash donations in lieu of assembled Kits also help provide much-needed supplies. **Thank you for helping us be ready to respond.**

Journey of a CWS Kit

The journey begins! Every Church World Service Kit begins with loving hands collecting and assembling the new components for each Kit – in classrooms and church halls, dining rooms and around kitchen tables across the U.S.

Next stop! Completed Kits are sent to the Brethren Service Center in New Windsor, Maryland, or the Ferncliff Center in Little Rock, Arkansas. There, the processing begins. All Kits are sorted, checked by volunteers and packed into large CWS shipping cartons, labeled and readied in the warehouse for shipment.

Journey's end! Where do CWS Kits go? The end of the journey for some CWS Kits may be Africa or the Middle East, where refugee children are provided School Kits to continue their education; or may be in the Caribbean, where Hygiene Kits are a vital part of recovery efforts following a devastating hurricane. The final destination may be the Midwest or Gulf Coast, where Emergency Clean-up Buckets can help families clean-up following a tornado or flooding. And a Baby Care Kit may help a mother in an impoverished area make life more comfortable for her new infant.

The need is great! Kits may be sent to Church World Service year-round. We can never have too many of these Kits on hand. Will you help us be ready to respond?

Heart to Heart traces the journey of CWS Kits from the hands of eager U.S. volunteers to our storage facility in Maryland, and on to people in need here and around the world. Available **free** in DVD and VHS formats. Nine minutes. To order call 800-297-1516.
