

Taking Care of Tomorrow's Church **TODAY!**

“Seminary is a transformative journey of personal growth, faith formation and ongoing discernment. I am so grateful to the Iowa Conference and the Funding Future Leadership committee for investing in and supporting me during my call to ministry. This scholarship allowed me to work part-time while I focused full-time on my studies. It also allowed me to travel to my seminary, Iliff School of Theology, in Denver to take residential classes. The FFL dollars were matched by my seminary, allowing the scholarship to have an increased impact.”

“The Funding Future Leaders Scholarship has made a big difference in my life as it is one of the few scholarships available to UCC students in Iowa who are non-traditional ages. It decreases the amount of student loans I have to take out and therefor will enable me to pursue ministry where I can use my gifts and education, as opposed to taking extra jobs to just pay off large educational loans. Seminary is an expensive and stressful time during a Member In Discernment's life, knowing that the church is there with their support is a great gift to someone getting ready to begin a life of ministry.”
